

Hooves 'n Irons

Proudly Presents

Cowboy Mounted Shooting Monthly Practices/Clinics

Typically the second Saturday of the month

The purpose of the practices/clinics is to introduce and educate both horses and riders to the sport of Cowboy Mounted Shooting. This is a family sport with classes for Men, Women, Juniors and Wranglers. This is a sport that celebrates the Spirit of the Old West and the Cowboy Code. So groom your horses, clean your guns and get nostalgic, dress late 1800s era if the *spirit* moves you.

Single Action Revolvers chambered to the .45 Long Colt are what is required to play this game. If you have guns and/or holsters bring them along we would be happy to help you evaluate how they will work for you in this sport. If you don't have them don't race out and buy them, come to the clinic or contact us for help on what considerations specific to this sport you should know about first. So if you would like to ride, shoot and have fun with others come on out or feel free to give me a call or email for more information. **Guns, holsters and nostalgic dress are not required to attend.**

IF YOU ARE BRINGING A HORSE TO ACCLIMATE TO GUNFIRE PLEASE BE ON TIME, THE FIRST HOUR OF PRACTICE WILL BE GEARED TOWARDS NEW HORSE ACCLIMATION. THIS IS ALSO GOOD FOR HORSES ALREADY UNDER FIRE EVERYONE CAN PARTICIPATE AND ARE ENCOURAGED TO DO SO.

Examples of some of the topics covered at these practices/clinics

Club Formation
Safety
CMSA Rules
Horse and Rider Evaluations

Horse Acclimation to Gunfire
Skill Level
Scoring Stage Management
Clothing Requirements
